Park Serve Day

Saturday, May 12, 2007

DCR is promoting Saturday, May 12 as Park Serve Day at parks across the state. We encourage you to schedule your spring cleanups and volunteer projects for May 12. We'll help you promote them by listing your event on a Park Serve Day event calendar on DCR's website and by including it in a statewide press release announcing Park Serve Day to the media.

Please contact your park staff by April 10 to discuss project ideas.

For more information about Park Serve Day, call 617-626-1315 or e-mail Margie.Lynch@state.ma.us.
